

Recent news reports and feedback about varied experiences caused by the COVID-19 crisis has prompted me to reach out to you with a reminder of the [many resources available to families](#) during this difficult, unprecedented time. Please refer to the [QCSD website](#) for a plethora of information and resources to deal with the stress and anxiety of the pandemic. You are not alone, and we acknowledge how challenging these times can be for our community!

Did you know that we have a [district social worker](#)? We also have our awesome Pfaff school counselors, [Mrs. Carlson](#) (A-K) and [Mrs. Rodgers](#) (L-Z) and our ESAP (Elementary School Assistance Program) Counselor, [Mrs. Watkins](#), that are available to assist our students and families. As always, our entire Pfaff Office Team, which also consists of [Mrs. Chadwick](#) (School Secretary) and [Mr. Erk](#) (TOSA – Administrative Intern) and [myself](#), is here to support you as well.

In addition, Quakertown Community Outreach wants residents of the Quakertown Community School District to know that they are also here to help you cope with this COVID-19 pandemic, stay-at-home order and loss of employment. You may contact them at quakertownoutreach@gmail.com if you or your family are experiencing any hardship. Your information will be confidential as they help you. Moreover, remember that [Pfaff is a food distribution site](#) from 11:00-1:00 on Monday, Wednesday, and Friday each week for families in need.

Please know that even though we may be far away at this time, we are just a “click” away. At Pfaff, we pride ourselves on being together although we are apart! Because together, we can do anything!!!

Please continue to stay safe, stay healthy, and stay at home!!! Take care and be well!

Proud Pfaff Principal,

Dr. Orathia Bradley
